MENTAL HEALTH MINISTRY STARTING

Divine Mercy Parish will kick off our mental health ministry with a 5 week session beginning on **Tuesday, September 13**, 6:30pm – 8:00pm and continuing for the next 5 weeks in Room C in the church basement. Please come when you can or view the online recording of group speakers offered on the parish website. We offer these nights to people suffering from mental illness, their families, or those who wish to learn more about this ongoing suffering in our community. Each night offers a speaker on various topics, including a mental health professional, as well as the opportunity for small group discussion for those who are interested. The last night, October 11, we will offer a resource fair with tables set up offering local resources and personnel. Decisions will then be made about offering an ongoing support group in our parish. Our parish mental health ministry is not intended to replace professional services. We are trained in appropriate procedures to maintain the privacy of those with whom we relate. We all continue to be involved in diocesan mental health training. We can be reached at mhmdivinemercy@gmail.com and our team includes Brenda Murphy, Kay Ringelstetter, Kate Rossing and Marian Thistle. Crisis Line is 988 24 hours a day/7 days a week

Week 4, August 2022 UPDATE

Into the Deep

Strategic Planning for the Diocese of Madison

Across the Diocese of Madison, there is a tangible longing for...

MISSION

The Ability to Engage in Meaningful Outreach

As Catholics we are called to give of ourselves and our resources to serve the "least of these" and to "make disciples." But we long to know that our efforts and sacrifices will make a meaningful impact and bear spiritual fruit.

We believe that the Into the Deep strategic planning process will help us to achieve this vision of a brighter future and a more vibrant local Church, but this process will require the participation and engagement of every Catholic in the Diocese of Madison. We would love to have you walk with us.

To stay informed about where God is leading us, please sign up for our email newsletter! And may God help all of us to follow Him...into the deep!

LIFELINE SCREENING

Why Get Screened?

Taking preventive steps such as making lifestyle changes and getting health screenings may help you avoid a stroke or other serious health events in the future. Early intervention is important. If you are over fifty and have diabetes, high cholesterol, high blood pressure or if you have a family history of stroke or heart disease, you may be at risk, even if you feel great. In fact, four out of five people who suffer a stroke have no apparent symptoms and nearly 30% of strokes occur under the age of 65. The good news is that according to the National Stroke Association, 80% of strokes can be prevented. Life Line Screening will help you find out if you are at risk, so you and your doctor can take the next steps and be proactive about your health. Where: St. Norbert's Catholic Parish When: **Tuesday, September 27, 2022**

Pre-registration is required. Register for a Wellness Package which includes 4 vascular tests Osteoporosis from \$159 (\$149 with our member discount). The screenings take 60-90 minutes to complete.
