## IMBIBE

Young Adults, join us on **Thursday, September 8 at 7 pm** at the Dorf Haus in Roxbury for our monthly Engage night! Enjoy free appetizers and relevant conversations with fellow Young Catholics.

This month, we will be discussing Catholic Social Teaching- the Church's foundational teachings on the dignity of the human person, man's freedoms, and his obligations to Society. We will be reading a brief chapter summary from the book *Christian Social Principles* by Sr. Mary Consilia O'Brien, O.P., Ph.D, (Sophia Institute Press), as our guiding point for discussion. This book draws from the wisdom of the Church to show what actually builds a just society, and is ultimately a manual for how we can take Catholic Social Teaching out to the public square.

As always, Adoration & Confessions are available across the street at St. Norbert's from 5-7 pm. See you there!

## CCW MEETING

The CCW will meet in the Church Hall after the 8:00am Mass on Sunday, September 11. All ladies of the Parish are invited to attend.

## MENTAL HEALTH MINISTRY STARTING

Divine Mercy Parish will kick off their mental health ministry with a 5 week session beginning on **Tuesday, September 13, 6:30pm – 8:00pm** and continuing for the next 5 weeks in Room C in the church basement. Please come when you can or view the online recording of group speakers offered on the parish website. We offer these nights to people suffering from mental illness, their families, or those who wish to learn more about this ongoing suffering in our community

Each night offers a speaker on various topics, including

- ◆ Impact of Mental Health on Individual and Families
- ◆ Spend an Evening with a Mental Health Professional
- ◆ Ministry to People with Mental Illness and Their Families
- ◆ Spirituality and Mental Illness.
- ◆ How can we Minister to People With a Mental Illness and Their Families (our Information Fair tables)

There will also be opportunities for small group discussion for those interested and this will not be recorded. Decisions will be made about offering an ongoing support group in our parish.

Our parish mental health ministry is not intended to replace professional services. We are trained in appropriate procedures to maintain the privacy of those with whom we relate. We all continue to be involved in diocesan mental health training. We can be reached at [mhmdivinemercy@gmail.com](mailto:mhmdivinemercy@gmail.com) and our team includes Brenda Murphy, Kay Ringelstetter, Kate Rossing and Marian Thistle.

## PARISH PRAYER INTENTION BOOK

As part of the Go Make Disciples initiative, members of St. Norbert's parish group have provided a Parish Prayer Intention Book. This book will reside in the back of the church. ## Week 1, September 2022 UPDATE

### Into the Deep

#### Strategic Planning for the Diocese of Madison

WHERE WE ARE Honestly Assessing Our Current Reality  
Pastoral excellence becomes difficult when a priest is working alone in multiple parishes, the number of staff are minimal and they feel overwhelmed, the number of people engaged in the life of the parish are aging and dwindling, and resources are fading or not being used as effectively as they could be. Many of the metrics of religious practice in our country are sadly moving in the wrong direction. Sadly, marriages, baptisms, confirmations, and Mass attendance have all been declining for many years now. As a result, more and more people are spiritually adrift and the harvest could be plentiful, but frequently the workers are too few and overextended.

We believe that the Into the Deep strategic planning process will help us to achieve a vision of a brighter future and a more vibrant local Church, but this process will require the participation and engagement of every Catholic in the Diocese of Madison. We would love to have you walk with us.

To stay informed about where God is leading us, please sign up for our email newsletter! And may God help all of us to follow Him...into the deep!

## FINANCIAL PEACE UNIVERSITY

Planning for the future is hard when you're still paying for the past! Listen, there's a better way! 6:8 is hosting a Financial Peace University class. This pro-life event brings people together at their local level to peacefully promote an end to abortion throughout our country by use of prayer, fasting, and compassionate witness outside nearby abortion-promoting centers. Both Bishop Morlino and Bishop Hying have strongly supported these campaigns. So far, over 20,000 babies have been saved worldwide! No matter your age, please consider signing-up for the many 1-hour vigil slots available 7 days a week from 7 am thru 9 pm. It's easy - No special skills required. ## LIFELINE SCREENING

Why Get Screened?

Taking preventive steps such as making lifestyle changes and getting health screenings may help you avoid a stroke or other serious health events in the future. Early intervention is important. If you are over fifty and have diabetes, high cholesterol, high blood pressure or if you have a family history of stroke or heart disease, you may be at risk, even if you feel great. In fact, four out of five people who suffer a stroke have no apparent symptoms and nearly 30% of strokes occur under the age of 65. The good news is that according to the National Stroke Association, 80% of strokes can be prevented. Life Line Screening will help you find out if you are at risk, so you and your doctor can take the next steps and be proactive about your health.
