## INTO THE DEEP UPDATE

We all want a deeper personal experience of Jesus' love and life. We all long to pray better. We all seek a Sunday experience of the Eucharist which nourishes our hearts and souls. We all desire excellent and inspiring preaching, liturgical music, and formation opportunities for ourselves and our young people. We all crave joyful and deeper connections with other faithful Catholics. We all long to speak about our faith with others who do not know Christ with greater confidence and joy. We believe that the Into the Deep strategic planning process will help us to achieve this vision of a brighter future and a more vibrant local Church, but this process will require the participation and engagement of every Catholic in the Diocese of Madison. We would love to have you walk with us. To stay informed about where God is leading us, please sign up for our email newsletter! And may God help all of us to follow Him...into the deep!
