3RD SUNDAY OF EASTER

He said to them, "These are my words that I spoke to you while I was still with you, that everything written about me in the law of Moses and in the prophets and psalms must be fulfilled ... You are witnesses of these things." - Lk 24:44, 48

3rd Sunday of Easter
April 14, 2024

Dear Brothers and Sisters in Christ,

What a glorious celebration of Divine Mercy Sunday we shared last weekend! Our church was filled to capacity, a testament to the deep well of faith that resides within each of you. The sight of so many seeking solace and renewal in God's boundless mercy was truly heart-warming.

The long lines for confession were a beautiful reminder of our collective desire to be cleansed and brought closer to God. I want to express my sincere gratitude to all my brother priests who generously offered their time to hear confessions, ensuring that everyone had the opportunity to experience the transformative power of this sacrament.

A special word of appreciation goes to our dedicated altar servers who, as always, served with utmost reverence and grace. Their quiet diligence is an essential part of our worship, and it was never more evident than during this special celebration.

Bishop Hying was visibly moved by the outpouring of devotion at St. Aloysius. He particularly enjoyed the bilingual Mass, which fostered a spirit of unity within our diverse community. It was wonderful to see so many members of our Hispanic community actively participating in this beautiful liturgy.

This successful event wouldn't have been possible without the tireless efforts of Kay and Nick Ringelstetter, who spearheaded the Divine Mercy celebration committee. Their dedication and organizational skills deserve our highest praise. Let's also extend our gratitude to all the other committee members who contributed their time and talents to make this day so special.

Finally, a huge thank you to the Hispanic Knights of Columbus for preparing the delicious Mexican taco fest that followed the Mass. Their culinary generosity provided the perfect opportunity for fellowship and community building after our sacred celebration.

May the abundant graces of Divine Mercy continue to flow through each of you, strengthening your faith and guiding your steps in the days ahead.

God bless,

Fr. Miguel

There is also a 2006 miracle from Tixtla, Mexico in Spanish which also involved scientific research. Both miracles claim that there is no scientific explanation.

Divine Mercy Sunday was celebrated on April 7 at St. Aloysius Church in Sauk City and may be best portrayed by the results that followed. Joyous families, couples and individuals with uplifted hearts and bright smiles left Sauk City and drove back to their homes all across our diocese and even further with memories of an afternoon that had touched their hearts and left them changed.

Hundreds of people poured into St. Aloysius Church to receive the benefits offered by Jesus on Divine Mercy Sunday. Jesus told St. Faustina in 1931 that the feast of Divine Mercy would be a very special day when “all the divine floodgates through which graces flow are opened”. Jesus promised that “The soul that will go to Confession and receive Holy Communion shall obtain the complete forgiveness of sins and punishment”. People from our diocese and beyond took advantage of this incredible promise and the additional Plenary Indulgence on the great Feast of Divine Mercy Sunday.

The afternoon began with 4 confessionals open for the afternoon for those who wished to receive the Sacrament of Reconciliation. Bilingual priests from the order of the Society of Jesus Christ the Priest were all available to hear multiple confessions: Fr. Miguel Galvez, Fr. Pedro Escribano, Fr. James Kotch and Fr. Faustino Ruiz. The Most Holy Sacrifice of the Mass was celebrated bilingually by Bishop Donald Hying. The exposition of the Blessed Sacrament and the Chaplet of Divine Mercy followed and Bishop Hying then joined in hearing confessions.

The Divine Mercy image and the 1st class relic of St. Faustina were surrounded by flowers and available for veneration all afternoon. Following Benediction, a delicious taco dinner hosted by the hardworking Hispanic Knights of Columbus was available in the school gym. It was a memorable coming together of cultures and parishioners sharing their immense love for our Lord and for each other.

The Eucharistic Miracles of the World bilingual exhibit touched many hearts and made many aware of God’s love and presence with us in the Holy Eucharist. The exhibit is available for pastorates to borrow by contacting the Office of Evangelization & Catechesis at oecc@madisondiocese.org or 608-821-3135.

JACMEL-FUNDRAISER FOR HAITI

A note from Ms. Daniela

I would like to express my deepest gratitude to parishioners, parents, and Caballeros de Colón for supporting the Nothing is Impossible with God Lent Campaign. Our school was one of the thirteen schools in our diocese who participated in the endeavor of raising funds to build a school in Haiti. The goal set for our school was to raise \$2,200. We were able to accomplish the goal by raising \$2,215. Thank you so much! Our kind gesture will help to keep hope alive for the people of Haiti. Special thanks to Los Caballeros de Colón (Hispanic Knights of Columbus) for donating their work and food during the Taco Fest on March 10th and for the total donation of \$1,000 towards Jacmel.

STORY OF A *Saint*

St. Teresa of
Calcutta

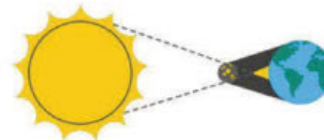

BY ADALYNN KASPER
4TH GRADE

St. Teresa wanted to become a missionary to India. At eighteen, she was a Sister and taught in India for about twenty years. Then, God told her to found an order called the Missionaries of Charity.

To serve God, she wore an Indian sari as a habit and went serving the poor by bathing people, combing their hair, and being with them as they died. She kept serving and loving God, and now she is in Heaven!

THE SOLAR ECLIPSE AT ST. AL'S SCHOOL

BY GAEL KRUCHTEN
5TH GRADE

Last Monday, we were really excited to see the solar eclipse! Around 2:00, we were able to see a partial solar eclipse.

Before we went to see it, I thought that it would be darker outside, because the moon covered most of the sun, but it was only a little bit dimmed. One of my friends pointed out that our shadows were smaller, which was pretty funny to us because I'm tall and my shadow was short.

Ms. Daniela bought everybody special glasses to see the eclipse. We were only able to see it for about three minutes, then we would go and play for a while, then we could look at it again. The eclipse we were able to see here in Wisconsin was only partial, meaning that the moon only covered part of the sun, which was a little disappointing for a lot of kids. Thank you so much, Ms. Daniela!

SUPER STAFF INTERVIEW!

Genevieve Krejchik, (5th Grade), interviewed Miss Kim, our Kindergarten teacher. Let's see what she had to say!

Q: Why did you become a teacher?

A: I really like to work with kids and see the excitement when they learn something new.

Q: What did you do before you taught here?

A: Before I came here to St. Al's, I taught in the Rio School District.

Q: What is your favorite field trip you've been on with your class this school year?

A: When we went to Timbavati Wildlife Park because we could interact with the animals.

Q: What do you do in your spare time?

A: Our family loves to be outside, hike, ride four wheelers, and fish.

Q: What is your favorite food, and why?

A: Pepperoni pizza because it's the best pizza ever.
