STAINED GLASS WINDOW REPAIR

All the old plexiglass has been removed. It is amazing to see just how bad the windows had deteriorated. The next step is the actual restoration of the windows. Work has been completed on two of the windows on the south side. Please check out the work that has been completed. Remember to be careful and cautious around the crew and their equipment.

Thank you to everyone who has already donated to the Stained Glass Window fund. If you wish to help, please place your donation in the collection with the words "Stained Glass Window Project" clearly printed on it, with your name and contact information.
