GO MAKE DISCIPLES TIP OF THE MONTH

The GMD April tip of the Month is explaining what the Easter season really means. The Easter season is fifty days from the Sunday of the Resurrection of Jesus Christ to Pentecost. The first eight days of the Easter season make up the Octave of Easter and are celebrated as solemnities of the Lord. It is a way of prolonging the joy of the initial day. In a sense, every day of the Octave is like a little Sunday. During the Easter season the Paschal Candle, a symbol of the presence of the Risen Christ among the people of God, remains in the sanctuary near the Altar or Ambo until Pentecost Sunday. An overview of the liturgical season known as Easter which is represented by the liturgical color white — the color of light, a symbol of joy, purity and innocence (absolute or restored).

PARISH PRAYER INTENTION BOOK

As part of the Go Make Disciples initiative, members of St. Norbert's parish group have provided a Parish Prayer Intention Book. This book will reside in the back of the church. Please feel welcome to write down your own intentions; as general or detailed as you'd like. Also take a moment to page through the book and pray for other parishioners' intentions, maybe before or after Mass, or during Adoration. We can all benefit from more prayer in our lives and more care for each other. Please reach out to any member of the Go Make Disciples group with questions.
