## IMBIBE

Young Adults, join us on **Thursday, October 13 at 7 pm** at the Dorf Haus in Roxbury for our monthly Engage Night! This month, we will have guest speaker Ian McDougall giving a fascinating talk titled *The Psychology of Modernity*. There have been many Catholic and Christian critiques of Modern philosophy, political thought, and ideologies, but why are Modern ideas oftentimes so misguided, and misguided in very particular ways? This talk presents a foundational Christian critique of Modernity, not strictly in terms of its intellectual errors, but regarding why these particular errors arose from spiritual defects that could only have emerged in the context of Christianity itself. In the course of this discussion, we will cover thinkers ranging from Joachim of Fiore to Karl Marx in an attempt to uncover the essence and mechanisms of Modernity, and how these relate to our lives as Christians.

Join us for engaging & relevant conversation, as well as free appetizers! Adoration & Confessions are also available across the street at St. Norbert from 5-7pm. See you there!

Please feel welcome to write down your own intentions; as general or detailed as you'd like. Also take a moment to page through the book and pray for other parishioners' intentions, maybe before or after mass, or during adoration. We can all benefit from more prayer in our lives and more care for each other. Please reach out to any member of the Go Make Disciples group with questions.

## MENTAL HEALTH MINISTRY AT DIVINE MERCY

Divine Mercy Parish now enters their last week of their mental health gatherings. The recordings are found on the Divine Mercy Parish website <https://www.divinemercy-parish.org> under our blog.

This past Tuesday night Fr. Miguel did a fabulous job of discussing the connections between our spirituality and mental illness. We are body and soul intertwined so any illness in the body is also connected with our soul and this includes mental illness. Father shared many beautiful quotes from Mans Search for Meaning by Viktor E. Frankl that explored what we are all searching for in life.

Our last session will be Tuesday evening, **October 11**, 6:30-8pm in room C in the church basement. We will have an information fair set up on tables displaying many available resources for people suffering from mental illness, their families, or those who wish to learn more about this ongoing suffering in our community. We also will have a survey available to better understand what should be planned to follow our course. This survey is also available in both lobbies near our mental health brochures. Please return this survey to the parish office in the envelope provided.

Our parish mental health ministry is not intended to replace professional services. We are trained in appropriate procedures to maintain the privacy of those with whom we relate. We all continue to be involved in diocesan mental health training. We can be reached at [mhmdivinemercy@gmail.com](mailto:mhmdivinemercy@gmail.com) and our team includes Brenda Murphy, Kay Ringelstetter, Kate Rossing and Marian Thistle.

Crisis Line is 988 24 hours a day/7 days a week

## PARISH LIAISONS WANTED

In October we take time to recognize the dignity of human life and to rekindle our individual and parish wide efforts to support life. We are looking for a few parishioners to come forward to serve as the liaison for parishes to joyfully assist expectant mothers and fathers who are facing an unexpected pregnancy and families who have suffered the loss of a child through miscarriage or abortion. How much time do you have to give to this ministry? As little or as much as you can! What skills do you need? Just a passion for the dignity of life and compassion for the sisters and brothers you will serve. We will provide all the resources and support you need! The role of a liaison is simple...it is to connect others in your parish to valuable resources or to other individuals or couples who could speak to their situation and provide some support or encouragement. If you are interested or have questions, please contact Amy Klarkowski in the Marriage and Family office at the Diocese at [amy.klarkowski@madisondiocese.org](mailto:amy.klarkowski@madisondiocese.org).

## GO MAKE DISCIPLES TIP OF THE MONTH

The GMD group would like to honor the rosary for the month of October. We remember and honor our call as disciples of Jesus to pray with Mary through the daily rosary. We ought to consider the rosary as one of our most evangelistic and catechetical tools. By praying the rosary, adults and children are introduced to the basics of the Christian faith as well as the instruction of how to pray. Those who know the rosary, recite the creed, learn basic Christian prayers and meditate on the key moments of the life of Christ. Take turns leading the rosary as a family, dedicate a decade to family members or people in need. Do a family Zoom call rosary, search for rosary prayers on streaming services, always have a rosary in your car, purse, wallet. 1240am, Relevant Radio, has a daily rosary at 7pm. Many options to strengthen our faith. Holy Mary, Our Lady of the Rosary, Pray for us!
