Dear Parishioners,

Last weekend, our celebration of Divine Mercy Sunday was a truly beautiful moment for our pastorate. I want to extend a sincere thank you to everyone who dedicated their time to organizing the liturgies, preparing our church, and ensuring everything ran smoothly.

It has also become a wonderful tradition for us to see so many people—not just from our own parishes, but from well outside our pastorate—coming to receive the Sacrament of Confession. Witnessing that outpouring of grace and seeing so many hearts seeking peace is a powerful reminder of exactly what this season is all about.

As we move deeper into April here in Wisconsin, we can finally start to see the physical signs of spring. The days are getting longer, the frost is breaking, and new life is starting to emerge thanks to the abundant rain we have gotten. This natural shift is the perfect mirror for the spiritual season of Easter we are currently living in. Just as the earth awakens from the dormancy of winter, our faith is meant to be renewed and refreshed by the reality of the Resurrection. The graces we received during Lent and the joy of our recent celebrations aren't meant to stay frozen in time; they are meant to thaw out and breathe new energy into our daily lives.

This brings us to the next step of our journey: moving from celebration into action. The Easter season isn't just a prolonged period of rejoicing behind closed doors. We are called to step out.

Filled and inspired by the Holy Spirit, we are being sent forth to carry the peace and mercy we just celebrated out into the world. Whether it is through our interactions at work, how we support our neighbors, or how we serve our local community, the joy of the Resurrection must translate into tangible acts of love.

Thank you again to everyone who made our recent liturgies so deeply meaningful. Let's take that same energy, step out into this spiritual spring, and put our faith into action.

God bless,

Fr. Miguel

Thank you

Thank You for a Blessed Divine Mercy Sunday
A heartfelt thank you to all the volunteers who helped make our Divine Mercy Sunday celebration so beautiful and reverent.

Whether you assisted with the liturgy, led the Chaplet, or helped with hospitality and setup, your service allowed our parish family to fully encounter God's grace and mercy. We are deeply grateful for your time and devotion!

MASS INTENTIONS

2026-2027 At St. Als

Plan ahead and remember your loved ones in prayer by requesting a Mass intention at St. Aloysius for 2026-2027.

When a Mass is offered for a specific intention, whether for the living or the deceased, it applies the infinite merits of Christ's sacrifice to that particular intention. The Church teaches that this act of intercession, through the priest who acts *in persona Christi*, is a unique and efficacious way to implore God's grace and mercy.

To request a Mass intention, please contact the Parish Office at 608 643 2449 or visit our website at <https://mom.sacramentum.app/mass-intentions/public/calendar>

Ideally, each volunteer will cover the full week to help keep our property looking its best.

Always and Everywhere Faithful

“Saint Aloysius is a Catholic education community whose ministry provides opportunity for all students to develop their spiritual life and academic potential.”

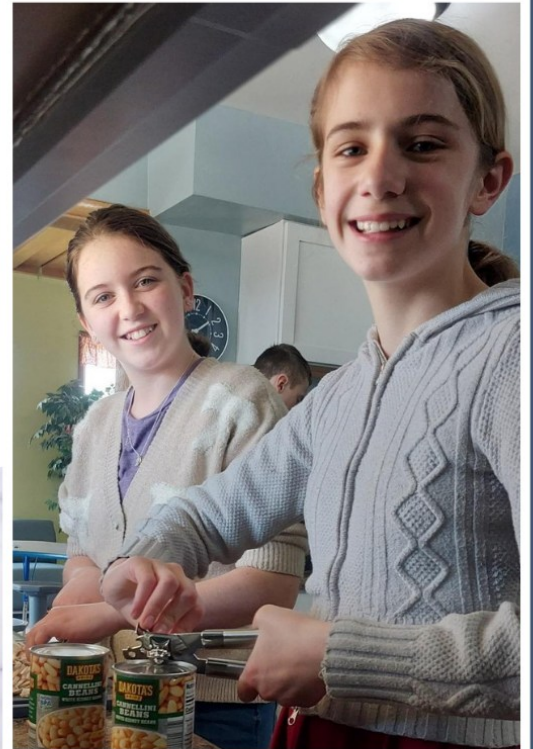

This month, our 2nd-8th grade students had the opportunity to shine at our annual Science Fair! It was a day full of curiosity, discovery, and yes—plenty of messes made along the way! From weeks of research to hands-on experiments, we saw the scientific method come to life right before our eyes. Students explored questions like, “How do jellyfish move?” “What is liquid nitrogen?” and “How do slot car tracks work?” Days like this remind us that with the curiosity of a child, there is truly no such thing as boredom.

TEAMING UP IN THE KITCHEN: MAKING MINESTRONE

The 7th and 8th grade students continued their journey into the culinary world by making minestrone soup with fresh pesto completely from scratch. The activity combined practical life skills with teamwork, creating a learning experience that was both meaningful and delicious. They practiced basic kitchen skills like washing and peeling vegetables, following a recipe from start to finish, and chopping with proper knife techniques. It was a great opportunity to build confidence and responsibility in the kitchen. Teamwork was essential as the students communicated and shared responsibilities. From prepping ingredients to cleaning up, each student played an important role. By the end of the lesson, students not only enjoyed a warm, homemade meal, but also gained valuable skills in cooking, collaboration, and following directions.
