## 1<sup>ST</sup> SUNDAY OF LENT

The devil said to him, "All this will be yours, if you worship me."  
Jesus said to him in reply, "It is written:  
You shall worship the Lord, your God,  
and him alone shall you serve."

Dear Parishioners,

Lent is a time for renewal—a time to step away from the noise of the world and walk more closely with Christ. But how often do we truly make time for that? Our world is full of distractions, and much of what we hear each day is negative. When was the last time you heard something uplifting in the news? Because of the constant intake of “bad news,” many struggle to believe in the Providence of God or trust that He has a plan for us.

Maybe that’s you. Maybe you wonder if God has a plan for you and your family. But Jesus is the Lord of History—yours included. This Lent, we invite you to deepen your faith by joining us in prayer, study, and the sacraments.

### Pray the Stations of the Cross

One of the most powerful ways to meditate on Christ’s Passion is by walking the Stations of the Cross. Join us on Fridays mornings at St. Aloysius Church with the school children or Friday evenings at St. Norbert Church & St. Barnabas Church.

### Encounter the Story of Salvation: Foretold

If you’ve ever wondered how God’s promises in the Old Testament were fulfilled in Jesus, the apostles, and the Church, join us for *Foretold*, a new series from the Augustine Institute. Led by Dr. Sean Innerst, *Foretold* weaves together the Old and New Testament, showing how biblical history is your history. Just as the prophecies of the Old Testament were fulfilled, you can trust that Jesus will care for you and your story.

Fridays at 6 PM – St. Aloysius Church basement

### A Special Presentation: The Shroud of Turin

On Monday, March 10th at 6 PM, we will welcome an expert speaker on the *Shroud of Turin*, one of the most studied relics of Christ’s Passion. This is a unique opportunity to reflect on the suffering of Christ as we prepare for Holy Week.

### Prepare Your Heart: Lenten Penance Service

Lent is the perfect time to return to the Lord in the Sacrament of Confession. On Wednesday, April 9th, we will hold a *Penance Service at St. Aloysius* from 4:30 PM to 7:30 PM, with several priests available to hear confessions. Do not be afraid—Christ is waiting for you in His mercy.

This Lent, let’s journey together. Let’s make time for Christ.

God bless,

Fr. Miguel

The Seven Sundays Devotion culminates on Sunday March 16th, the Sunday before the feast of St. Joseph. We offer the Seven Sundays Devotion in thanksgiving for the unspeakable Mercy of our Divine Savior and for His faithful guidance over our Parish, our Diocese and our country.

Always and everywhere faithful

"Saint Aloysius is a Catholic education community whose ministry provides opportunity for all students to develop their spiritual life and academic potential."

## WEEKLY VIRTUES: BUILDING GOOD HABITS

These last two weeks we've focused on the virtues of **RESPONSIBILITY** and **PRAYERFULNESS**!

The parable of the talents in the Gospel of Matthew reminds us the importance being **responsible** for what we are given. We must accept the things God has given us and do what is right with them.

**Prayerfulness** means being still, listening, and speaking to God as a friend. We see this in Jesus when He demonstrates the importance of finding a secluded place to pray and be in communion with God.

## Reading challenge

St. Al's students are starting their annual reading challenge. This runs through the months of March and April. Students practice the virtue of responsibility by keeping track of a monthly reading log with the goal of reading 10 (K-2nd) or 15 (3rd-5th) minutes every night.

The class with the most minutes read at the end of the challenge will earn a prize. In addition each class will award its "top readers" based on the number of books read. Our students are excited to get started. Look out for book recommendations from our students in the coming weeks!

## MARK YOUR CALENDARS

March 21st -  
2nd, 6th-7th Field Trip

March 24 - 28th -

April 10th - Spring Concert

April 16th - Early Release

April 17th - 21st -

## St. Aloysius School Cereal Drive

We will be delivering our collected cereal boxes to the Sauk Prairie Food Pantry on Monday, March 10. If you have any last minute donations, please bring those to the school office before 10 AM.

We are so grateful for the mountain of goods that have already been collected! Final numbers will be shared next time!

## PLAYING IN THE PUDDLES

Remember the feeling of jumping feet first into a giant rain puddle? The kindergartners chased that feeling last week.

They pulled on their snow pants and boots to go splashing! Even their teacher, Miss Kim, grabbed her boots and joined in on the fun!

Callan & Jack (above) plan out their poster. Kora & Evie (below) draw the steps in a turtles life cycle.

## THE CIRCLE OF LIFE

The first graders learned about life cycles in science class. After learning that all animals grow and change, they paired up and chose an animal to research. They looked at how the animal changes from baby to adult. Each pair is seen here working on their posters to present to the class. Integrating art into science is a fun way to help students remember their lesson!

Drew & Tom (above) look thoughtful as they brainstorm. Amelia T (below) adds finishing touches to her poster.

## LITTLE BLESSINGS AND THE THREE LITTLE PIGS

Our K4 students enjoyed reading, retelling, and acting out the story of the Three Little Pigs with their homemade piggy puppets.

Their favorite part? Huffing and puffing and howling like the Big Bad Wolf!

## “OLÁ, ST. AL’S!”

We blasted off on a trip to Brazil with Ms. Nicole as our guide. Nicole is a foreign exchange student who is staying with one of our school families, the Wilsons. She joined us one afternoon to teach us about her home country. The students learned about Brazilian cuisine, holidays, and even a little Portuguese! Thank you for sharing with us, Nicole!

## FROM STAINED GLASS TO STITCHING

The middle schoolers are finishing up their sewing projects as the second trimester draws to a close. During the last few weeks they have learned how to use a sewing machine, stitch by hand, make pillows and placemats, and practice the first steps in embroidering.

With a focus on trade jobs and natural resources in trimester three, students will have many field trips to look forward to. They will be introduced to the many trade jobs in the community and enjoy time outside working with Wisconsin resources.

Students in 3rd-7th grade will be participating in our annual science fair on April 25th! More information about this will go home with students soon.
